

# PRACON DRIVE

All over the world, kids are getting into Dragon Drive, a virtual reality game in which they fight atop the backs of powerful dragons. But, as some of the players are learning, Dragon Drive isn't just a game. Crossing between Earth and the magical world of Rikyu, kids and dragons must join forces in a battle that will decide the fate of both worlds!

#### Reunion

All the world's Rikyu masters have assembled at Mount Fuji...except for Takumi. Determined to stay behind and fight Ri-IN, Takumi uncovers evidence of strange experiments conducted by Ri-IN agents on humans and dragons. And when Arisa learns the truth about her former employers, she explodes with fury—and reveals powers beyond anything Ri-IN could have imagined!

### Ken-ichi Sakura

When I first started drawing *Dragon Drive*, I often felt lonely. I went back to my hometown every month after meeting my deadline. But lately I haven't been back at all. I'm a total Tokyo native now. I get lost on the subway, I can't take any route except the ones I already know, but I'm a real Tokyoitel

Ken-ichi Sakura's manga debut was Fabre Tanteiki, which was published in a special edition of Monthly Shonen Jump in 2000. Serialization of Dragon Drive began in the March 2001 issue of Monthly Shonen Jump and the hugely successful series has inspired video games and an animated TV show. Sakura's latest title, Kotokuri, began running in the March 2006 issue of Monthly Shonen Jump. Dragon Drive and Kotokuri have both become tremendously popular in Japan because of Sakura's unique sense of humor and dynamic portrayal of felsty teen characters.
